

- **Award Submission Guidelines**
 - The Sitecore Experience Awards are open to all Sitecore customers.
 - Entry forms can be completed by customers, partners, service providers, and Sitecore sales and marketing teams.
 - Sitecore customer organizations may be nominated by employees, partners, vendors, or peers with the consent of the nominee.
 - Complete all required information on the award entry form and submit it via the submission portal by 4pm PDT on 20 May, 2022.

- Nomination Title (max 100 characters)
- Entry Overview (max 500 characters) - brief description of award nomination story
- Select the award category for your nomination. *If submitting for multiple categories, a separate entry will need to be made for each submission
 - **Best Digital Experience Transformation** - Leading your market through digital disruption with exceptional customer experience.
 - **Most Intelligent Content Optimization** - Improving the customer experience through an end-to-end content strategy.
 - **Best in Connecting the Experience** - Turning consumers into fans.
 - **Seamless Commerce Operations and Experiences** - Implementing streamlined commerce operations processes along with the best possible shopping experiences for customers.
 - **Ultimate Experience Award** - Winners of the other four categories will automatically be submitted for consideration for the Ultimate experience award.
